Health Record Checklist:

I am aware that if I am a recent PC graduate and have health records on file at the Student Health Office, I do not need to complete these forms.

OR

I completed the College health form.

I provided a recent physical exam (EMR acceptable) dated after April 1st, 2019.

I provided up to date immunizations required by the RIDOH (EMR acceptable).

I completed and signed the TB questionnaire.

I supplied a copy of the front and back of my insurance card.

I have checked to see what my private insurance company will cover in Rhode Island.

I am aware that per the Rhode Island Department of Health, students who have not submitted documentation for the required immunizations and TB questionnaire will NOT be permitted on campus and cannot work as graduate assistants. This policy is strictly enforced by the College.
