Returning Students	Incoming Freshman
 Decisions on appeals received during the summer break will be finalized mid-September and those received during the fall semester will be finalized mid-February. Results posted in CyberFriar. Your bill is still expected to be paid on time and you should not wait for the results of your appeal before paying your bill. Submission of an appeal is not a guarantee of additional funding and does not prevent a financial hold being placed on the student account. 	 While appeals will be reviewed on a rolling basis, a majority of decisions regarding need-based institutional eligibility will not begin until at least April. We will make every attempt to respond to you by your admission deposit deadline*, however, you should not wait for appeal results to make your enrollment decision. Decisions on appeals received after 5/1 will follow the Returning Student Policy (see box to the left). *Early Decision(1) December 13, Early Decision(II) February 28 and Early Action & Regular Decision May 1
